

# Meadow Court Nursing Home, Redbridge

## Client

Redbridge Health Care NHS Trust

## Description

Designed for 70 residents, the building is arranged internally as six houses. Every resident has an individual bedroom with ensuite shower/wc and each house shares a lounge, dining room and kitchenette. A shop, café, therapy and meeting rooms, are provided within the building.

## Innovations & Added Value

The residents are long-stay elderly infirm and EMI. Tangram worked closely with carers/residents, staff and other stakeholders in several workshops and discussions to develop options and preferred design including individual rooms and the "house" principle.
