

# Refurbished Apartments, Camberwell

## Client

Private Client

## Description

This existing 4 storey dwelling was converted into 4 no. apartments A - D some thirty years ago and Tangram were employed to rejuvenate the apartments through a major refurbishment programme of works. The building was completely stripped out with new plumbing and electrics throughout. External windows and doors were also replaced throughout along with works to re-roof.

## Innovations & Added Value

The existing basement and ground floor apartments were originally designed as 1 bedroom apartments and through clever re-planning were both remodelled as 2 bedroom apartments.

## Status

Completed
